HAPPINESS IS...
BEING ABLE TO OWN A HOME
IN MAGICAL DUBAI.

Acclaimed as the Capital of the New World, Dubai is a city where ambitions and aspirations come to life. Home to nearly 2.5 million residents representing almost every nation on earth, this city boasts of the tallest man-made structure in the world, the biggest shopping mall and some of the new-world-wonders that truly reflect the ambitious spirit of Dubai.

Making this city one's home is a dream come true: Dubai is safe, it's progressive, it's cosmopolitan and no matter where one comes from, Dubai is centrally located to reach 1/3 of the world's population within a matter of few hours. The result is an unbelievably interesting melting pot of cultures where the world meets one another.

In an era where the world is becoming smaller and smaller, and ambitions and aspirations shape the new world, Dubai is the best place to be – and the ideal place to call home.

DUBAI SILICON OASIS. A SMART COMMUNITY BUILT FOR TOMORROW.

Imagine life in a future-ready, smart city.

Spanning over 7.2 million square meters, Dubai Silicon Oasis is a 100% government-owned free zone that is purpose built to cater to modern technology-based industries and integrate a world-class urban community that calls it home.

The Dubai Silicon Oasis is uniquely designed and built to ensure comfort and convenience of its residents. From shopping centres and schools to coffee shops and major convenience stores, life at Dubai Silicon Oasis is perfectly balanced and synergized for a sustainable community.
